What can we do for you?

Our mainstream service is to act on your behalf for the purpose of arranging and advising on the following:

- **Investments & Pensions, for example an ISA or Personal Pension Plan;**
- **Personal & Family Protection, for example a Life Assurance or Critical Illness Plan;**
- **Mortgages, including Buy To Let**
- **General Insurance, for example Buildings, Contents or Private Medical.**

For all the services described above we will complete a detailed fact find so we can understand your circumstances, specific needs and objectives to determine if these services are suitable for you. We will then undertake research in order to provide a personal recommendation(s) and related information relevant to your individual circumstances. If, after due consideration you would like to accept any or all of our recommendation(s), we will then implement them and arrange any products and/or related services on your behalf.

Once your financial plans are in place it is important to keep them under review. Subject to the type of services you require from us, we can continue to act on your behalf through one of our service packages. Alternatively, for those who prefer a more transactional or ad-hoc 'pay as you go' service, we are also happy to provide our services as and when you need them. Ultimately, whichever type or level of service you require from us we will act in your best interests at all times.

Further details about these and other related services we provide are contained in the pages below. This also confirms the typical cost of our services and how we get paid for them.

IMPORTANT INFORMATION

Before you consider our services in more detail we would like to draw your attention to the following important information:

When we have discussed and agreed with you the services that we are to provide we will confirm this to you in a Client Agreement. This will describe the scope and specific services to be provided, including any on-going services, the cost and how it can be paid for. It will also confirm how we use and store personal information that we collect from you in the course of providing our services. A copy of our standard Client Agreement is available on request.

From time to time it may be necessary for us to collect personal information from you, prior to concluding a written Client Agreement, to assess whether we are able to meet your needs. In this event we will clearly identify the data to be collected and will use it only for the purpose of assessing our ability to provide services to you.

Under the terms of Financial Conduct Authority (FCA) regulations we will classify you as a retail client for investment and pensions business. As a retail client you have the right to request re-classification as an elective professional client. This may be generally or in respect of a particular service, type of transaction or product, and is subject to the following:

- All requests for re-classification must be made in writing;
- We will consider such requests on a case by case basis against the criteria set out in FCA rules.
- We will confirm the scope of any re-categorisation along with the consumer protections you will lose as a result.
- You must keep us informed of any change to your circumstances that could affect your classification

We will not advise you if you are experiencing difficulties managing debts. Free help and advice about managing your debts is available by contacting the Money Advice Service via its website:

INFORMATION ABOUT OUR INVESTMENT & PENSION SERVICES

We offer a range of services to help you meet your investment and retirement objectives. We provide independent advice, which means that our recommendations to you will be based on the following selection criteria:

1. We will determine which, if any, of the following types of investment or pension products are capable of meeting your needs, along with any associated 'tax wrappers' available (e.g. an ISA):
 - Open Ended Investment Company Funds (OEICS) including Exchange Traded Funds (ETFs), Unit Trusts and Investment Trusts;
 - Personal Pensions, Stakeholder Pensions, Self-Invested Personal Pensions (SIPPs) and Annuities;
 - Insurance Based Investments, including Capital Investment Bonds and Endowments;
 - Structured Capital at Risk Products (SCARPS) and Structured Deposits;
 - Certain Specialist Investments suitable for retail clients, including Venture Capital Trust (VCT) Investments and Enterprise Investment Schemes.
2. We will then consider a broad range of different providers of these products from a fully researched panel that is representative of the whole of the market available to financial advisers and which we review on a regular basis using factors such as the risks, costs, complexity and their competitiveness in the market place.

Related Service Providers

Subject to your individual needs and objectives, we may also recommend that you hold and trade your investments and/or pensions in one place via a Platform Service. We may also recommend that some or all of your investments and/or pensions are managed by a Discretionary Investment Management Service (DIMS). We will consider a broad range of these service providers from a fully researched panel that is representative of the whole of the market and which is also reviewed on a regular basis as described above.

We may recommend investments in the IFSL Sinfonia Open Ended Investment Company (OEIC). This investment company has been jointly developed between BNP Paribas and Sinfonia Asset Management Limited, a subsidiary of Tenet Group Limited. We may also recommend that you hold and trade your investments via Tenet Platform Solutions Limited, a subsidiary of Tenet Group Limited.

We may recommend products or services related to your investment and pension needs which are not regulated by the Financial Conduct Authority. For example, cash deposits, National Savings & Investment Products (NS & I), or Inheritance Tax Planning (IHT).

On-Going Advice and Review Service

We offer three on-going service packages for you to choose from. We will recommend the service we consider to be most suitable for your needs. Once you have purchased an on-going service package you may cancel it at any time, without charge, by writing to us at the above address.

We also recognise that an on-going service package is not suitable for everyone and that some of our clients would simply like to use our services when they need them. For this purpose, we are also happy to undertake future 'ad-hoc' or one off reviews of an investment and/or pension portfolio we arranged on your behalf.

Service Description	Service Fees - Essential
<p>Our Ongoing Advice & Review Service is typically suitable for those who prefer to engage with their adviser fully, with ongoing identified objectives.</p> <p>The service includes a face-to-face annual review of your investments, updating your Risk Profile, half-yearly valuation reports and any fund Switching or re-balancing of your portfolio.</p> <p>We will also contact you with Newsletters and relevant information throughout the year, particularly at the time of the Budget.</p> <p><i>This ongoing service contains the following scheduled events:</i></p> <ul style="list-style-type: none">• Annual Review (Face-to-Face)• Half Year Review (Email)• Valuation Report – Half Yearly• Update of Risk Profile - Annually• Tax Report - Annually• Newsletters when applicable	<p>Our standard service is available for 0.5% of the value of your portfolio per year and is charged on a monthly basis at the rate of <u>1/12th of 0.5% per month.</u></p> <p>For example: If your portfolio was worth an average of £25,000 over a 12 month period, the average monthly charge would be £125 / 12 = <u>£10.42 per month.</u></p> <p>If your portfolio was worth an average of £50,000 over a 12 month period, the average monthly charge would be £250 / 12 = <u>£20.83 per month.</u></p> <p><u>Please note:</u> The exact amount we charge each month will depend on the value of your investment and will increase if the value of your portfolio goes up.</p>

Ad-Hoc or One-Off Review Service

This service is typically suitable for those who don't want to pay for regular reviews by their adviser and prefer to monitor things themselves. Upon request, we are happy to offer one off or 'ad-hoc' reviews of an investment/pension we set up for you should the need arise.

The cost of this service will vary depending on the complexity of the work and how long it takes to complete. Our adviser charge for this service is **£150 per hour (exc. VAT).**

A typical review will include:

- **Updating the information we already hold about you;**
- **Re-confirming your objectives and risk profile;**
- **Providing you with recommendations regarding the on-going suitability of your portfolio, and;**
- **Subject to your agreement, implementing any adjustments to your portfolio we recommend e.g. fund switches.**

Example cost:

For a portfolio containing 2 separate arrangements (for example a personal pension and an ISA) we would expect a typical review to take approx. 3 to 4 hours calculated in 15 minute intervals.

For example, if it took us 4 hours to complete a review, our fee would be **£500 (exc.VAT).**

What are your payment options?

- We accept direct payment by cheque, debit card, or bank transfer.
- We do not accept cash or credit cards.
- We will tell you if it is possible to settle our fees through a deduction from your investment/pension.
- For new investments and pension plans funded by regular contributions only, you can choose to pay our fees by instalments.
- We will allow you to settle our fee in up to 4 monthly instalments over a maximum term of 4 months.
- If you choose this option we will not provide you with any further services until all the instalments have been paid in full.
- If you choose to pay instalments as a deduction from your investment/pension, although you pay us nothing up front this does not mean our service is free. You are still paying us indirectly through deductions from the amount you pay into the product.
- These deductions will go towards settling our fee and will reduce the amount left for investment. An example of how this payment plan works in practice is set out below.

Example

You choose to accept our recommendation to invest **£250 per month** into an investment product. Our fee for advice and arranging this on your behalf is **£750**. You choose to settle our fee in **4** equal monthly instalments deducted from your first **4** monthly contributions to the product, as follows:

Investment Frequency	Contribution Amount	Fee Deduction	Amount Invested
Month 1	£500	£250	£250
Month 2	£500	£250	£250
Month 3	£500	£250	£250
Month 4	£500	£250	£250
Month 5 onwards	£500	N/A	£500

- You can also choose to pay the fee instalments due to us directly from your bank account by standing order. For example, a fee of **£750** paid over **4** months would mean **4** monthly instalments of **£187.50** are collected from your bank account. Standing orders are normally collected on or around the **15th** day of the month.
- **Please note that if you cancel your investment or pension product before our fee is settled in full, including cancellation during a statutory cooling off period, you will need to make alternative arrangements to pay our fee.**

Other benefits we may receive

If we take over the servicing rights of your existing arrangements that were arranged by another firm, we may be entitled to receive an on-going payment as a result. This is commonly referred to as 'trail commission'. Where this is the case we will offset the amounts received against our on-going service fees. For example, if our on-going service fee is **£500** and we receive **£200** trail commission from existing arrangements retained as part of your portfolio, the net fee due to us would be **£300 (exc. VAT)**.

Some of the firms whose products we recommend provide us with access to training and software which allows us to offer you a better service. Some of the costs of these benefits may be passed onto you as part of the total charges you pay, should you choose to purchase a product from one of these firms. Further information regarding these arrangements is available on request.

We are not otherwise permitted to receive or retain any financial inducements, significant gifts or hospitality from investment product providers, for arranging investments.

Other Specialist Services

As part of the TenetConnect Limited Network of Financial Advisers we have access to support services and specialist expertise you would normally expect from a large organisation. Where it is in your best interest we may offer to refer you to another firm within the same Network for specialist services.

With your permission, the other firm may carry out research on our behalf or alternatively advise you directly. The total cost of this service, including our fees for any preparatory work the other firm relies on, will be no higher than our standard tariff of fees and charges stated above
